The information above is based upon the customer paying on time. For example, other fees that a customer might have to pay include a late charge of the greater of 5% of the payment amount or \$7.50 if the customer is in default for 10 or more days, and a dishonored item charge of \$30.00 if an electronic payment is not paid by the customer's bank.

Before entering into a transaction, you should read the disclosure statements and contract that are provided to you for more information.

An advance of money obtained through a payday loan or auto title loan is not intended to meet long-term financial needs. A payday loan or auto title loan should only be used to meet immediate short-term cash needs. Refinancing the loan rather than paying the debt in full when due will require the payment of additional charges.

If you are unable to pay your loan in full on the due date, you are eligible for a payment plan once in any twelve (12) month period. You must request this payment plan on the day before the loan is due or on your due date.
